# GENERAL INFORMATION

**LOCATION:** The sale will be held at the Reed Sale Pavilion in Carrollton, Mo. Any late buying orders or instructions can be given to the Sale Manager or any fieldman present by calling them at the above location.

**HOTELS AND MOTELS:** Excellent accommodations in hotels and motels are available for guests. Lee's Motel will be sale headquarters for the Manager and consignors.

**TERMS** – The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE** – All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Breeders' Association and shown at the back of this book.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

We shall not be responsible for any accidents that may occur but we shall make every effort to provide for the safety and comfort of our guests.

**MAIL BIDS** – Those who wish to buy at this sale who cannot be present may send their mail bids to the sale manager, Merv Aegerter, Mark Dempsey, Missouri Ruralist, Shelbina, Missouri, Veryl Jones, Drovers Telegram, Kansas City, Mo., Ted Aegerter, American Shorthorn Association, Seward, Nebraska, or to the Auctioneer, Dick Kane.

**ANNUAL MEETING AND BANQUET:** It shall be held on Friday evening, March 8th at the Bryant's Cafe. Anyone interested in good Shorthorns and Polled Shorthorns, is invited to attend. The time will be 6:30 p.m.

# SHOW CLASSIFICATION

This show is co-sponsored by the Department of Agriculture and the Missouri Polled Shorthorn Breeders' Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri.

All animals will be placed and graded by a competent judge. Grade designation and distribution of ribbon awards are as follows:

## GRADE A (Superior) - Blue Ribbon

The animals would fit into top purebred herds and flocks anywhere. They are correct in type, size, quality, breed character, etc.

## GRADE B (Good) - Red Ribbon

These animals are good enough to improve a large percentage of purebred and commercial herds.

## GRADE C (Medium) - White Ribbon

These animals are average for the breed.

## GRADE D (Unclassified) - No Ribbon

These animals are undesirable breeding animals.

Judge: Roger Applegate, Oakland, Iowa

# **STANDARD GUARANTEE OF AMERICAN SHORTHORN BREEDERS ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

Special attention is called to the four 4-H steer calves that are being consigned to this sale by Glennedale Farms, Hannibal, Mo. These are March and April calves, dehorned, creep fed, steered and all dark red and roan. They will weigh between 400 lbs. and 500 lbs. Their dams are top registered cows and their sire is Glennedale Climax 34th, a grandson of Millhills Climax. These calves will sell individually by the head, promptly at 12:30 p.m. at the start of the auction.

Here's the first opportunity buyers have had to select from the top Shorthorns and top Polled Shorthorns from Missouri's top breeding herds, all listed in one joint sale. Here's a sale for the busy cowman; one trip to solve your herd bull and female buying problems for 1963. Shorthorns and Polled Shorthorns have long been know as the World's greatest crossing bulls. Commercial cattlemen will find bulls with the strength and quality here to fill their needs. Also, top herd bull prospects for the purebred breeder.

If you would like more information about this offering, feel free to write to any of the consignors or the sale manager and your letters will be promptly and honestly answered.

Just remember the date - Saturday, March 9th. Everyone interested in good beef cattle is invited to attend the annual banquet and meeting on Friday evening at 6:30 p.m. at Bryant's Cafe in Carrollton.
